

CRITICAL INFORMATION SUMMARY

WIRED PBX-08

Create your entire phone system in minutes. Create voice menus and interactive phone applications quickly through the Hosted PBX control panel.

We built our Hosted PBX inhouse so when you need help, you can count on us. Hosted PBX (or Virtual PBX) is designed to lower the cost of a phone system for your business whilst at the same time providing your business with previously unseen connectivity.

Plug your extensions in anywhere in the world you can expand your office to a different building, or your employees can work from home or across the globe! It will work anywhere there's broadband.

Is the offer part of a bundle?	No
Is the customer required to buy any goods as part of the offer?	No
Does the offer have any minimum term of use?	No

What Is Included

This Wiree VoIP plan includes calls to 13/1300 numbers, Local/STD calls and calls to Australian Mobiles and free calls to other Wiree systems.

What is Not Included

Your plan does not include calls international calls and premium service numbers. Charges to these services will apply and are outlined below. This plan does not include any handsets or other hardware or equipment.

SIP-Compatible VoIP Handset(s) Required

In order to use this service, you will need VoIP telephone handset(s) or software compatible with the SIP protocol. Wiree recommends using this service with handsets purchased from the online shop at <https://wiree.io/shop> to ensure that you have a compatible and supported device. Alternatively, you may provide your own SIP compatible VoIP equipment or software. For more information about compatible equipment and software please see <https://wiree.io/guides>

Additional Fair Use Terms on Freedom PBX Plans:

Included calls are subject to fair use. Fair use of the Wiree Wired PBX means that you must not use service in an unreasonable or fraudulent manner, or in a way that detrimentally interferes with the integrity of the Wiree network.

This service is intended to be used in a way that is consistent with a typical business' calling usage, according to statistical information known to Wiree. If we determine that your use of the service or it's features is at any time inconsistent with the normal inbound or outbound usage patterns for the type of service or plan that you have purchased, we have the right to suspend or discontinue service. Examples of inconsistent usage patterns include, but are not limited to, using the service in an outbound call center, for telemarketing, or for providing telehealth services.

This plan can only have single-user devices such as Yealink and Cisco VoIP Phones connected to Hosted PBX Extensions only. SIP Trunking is not included and no PBX systems (Asterisk, 3CX etc) or other line-sharing devices are

permitted on Wiree plans. Connection of a PBX or line-sharing device, or a configuration that results in line sharing will result in account suspension and cancellation of the account.

We may take action if you breach this policy, including suspending or cancelling your service. We reserve the right to enact such actions for any reason, at our own discretion, without notice to you.

Trial Period

No trial period is applicable to this plan. Monthly fees begin when the service is activated.

Charges for using this service

The minimum monthly charge for this plan is **\$239.60**. The billing term for this plan begins as soon as the account is activated. In addition to the minimum monthly charge, the following call rates apply...
